ANNUAL REPORT

Session 2023-2024

“Education is the movement from darkness to light”

As we share the yearly updates of our activities, we take the modesty to say that we did our best to do as we had planned and we are proud of our students and teachers who strive hard to achieve beyond expectations. We have focused on the holistic development of the students.

We have always been committed to create an environment in the school which helps the young mind to blossom and provide a platform for individual thinking and holistic development of the child’s personality.

Beginning of New session

KBS School started its new academic session 2023-2024 on 5 April 2023 (Wednesday) with Hawan ceremony to take blessings of almighty GOD.

In this session the total strength of school from class Pre- Nursery to class 8th was 215.

Staff

KBS family comprised of well trained, well experienced, dedicated teaching staff and supporting staff. We duly appreciate the tremendous co-operation on the part of everyone associated with this institution who have strived their best to mould our students to work hard to make their dreams and aspiration come true. Apart from the various core subject teachers, we have dynamic teacher for physical education and Yoga.

Enhancement of skills in Teachers and Students...

As a part of enrichment programme, various workshops & seminars are periodically organized throughout the year for the overall development and enhancement of skills in teachers and students.

A **“Workshop on Improving the Quality of Education”** was organised for the teachers in the school premises.

The school also organized a **“Seminar on Teaching Skills”** for the teachers to enhance their teaching skills and strategies. Block Resource Persons (BPR) gave their consent to be the resource persons of the event.

Health & Hygiene

Good health of students is a primary concern of school. Routine health check-up programs were organized by the school to assure right consultation and treatment. On 20th May, 2023 a Health Check up Camp was organised for the students of Class Pre- Nursery to 8th in collaboration with Civil Hospital, Ladwa. Deworming tablets were given to the students and iron supplements were provided for their proper growth. Dental check-up was also conducted for the students as well as for the teaching and support staff.

PT exercise and Yoga sessions were regularly going on in our school for students and teachers.

Facilities

Our school provided number of facilities to the students like transport facility, CCTV cameras, playgrounds and Sports, hygienic environment, RO water, smart classes and bridge courses. Digital KBS app is one of our best features which maintain good communication among our parents and teachers. Each and every detail of the students is available on the app.

School assembly

School assembly provides ample opportunity for all our students to come forth with self courage and express their abilities of public speaking, reading, thoughts, etc. House on duty took charge of the morning assembly for one week. House students impart their duties with responsibility. PT exercise, Prayers, Thoughts, New words, Current affairs, GK questions, Speeches by students and teachers, Poem recitation are some of the activities which are conducted on daily basis for overall development of the students.

Sports

“Sports teaches us how to lose, but it also teaches us how not to be a loser”.

Besides promoting physical fitness, sports lays importance on healthy lifestyle and helps in developing social skills. Sports play a pivotal role in instilling among our learners values that would hold them in good stead throughout their lives, such as, discipline, team spirit, sportsmanship etc.

Various indoor and outdoor sports facilities have been provided to the students including Volley Ball, Badminton, Kho-Kho, Martial arts, Chess, Carom, and Skating etc.

Adventure trips, Visits and Excursions

Our school organizes excursions and field trips every year to help students gain firsthand knowledge and expand their academic learning transacted beyond the boundaries of a class room, in joyful company of peer & friends.

A trip to Water Park, Amusement park (Karnal), various places in Kurukshetra, Pipli Zoo, Chowki Dhani (Panchkula) etc are the places to name. A trip to Ponta Sahib was also organised for the teachers. Educational visits were conducted time to time for their experiential learning.

Celebrations

Celebrations sharing the happy moments together and spreading joy all around is a vital aspect of KBS School we follow every year religiously. Baisakhi, Teej, Janmashtami, Navratri Dandiya, Diwali, Dussehra, and other important festivals were celebrated with great zeal. The Independence Day, Teachers' Day, Republic Day, Shahidi Diwas, Basant utsav, Mother's Day, Grand parents' day were celebrated with great veneration and enthusiasm.

On 12th August, 2023, an Investiture Ceremony was organised in which "Harman Singh" as head boy and "Palak Ahuja" as head girl were selected. Prefects were also selected from each class in this ceremony.

Competitions

Healthy competition inspires students to do their best. They will strive to do more than is required. These abilities prepare children for future situations of all kinds. Different competitions were organized for the students to enhance their skills. To name a few- Rakhi making, Card making, Poster making, Slogan writing, Essay writing, Science quiz, Maths Quiz, Hindi Quiz, English handwriting, Debate etc.

On 24th and 25th November, 2023, sports meet was organised for the students of class Pre-Nursery to 8th class in which students have participated different kind of games like, Badminton, Sack-Race, Balloon-Pop relay, Relay Race, Chess and Kho-Kho etc. NAAT exam was conducted, 14 students participated in it and Vansh of class 8th achieved 15 rank in all over the world.

Social Awareness Programs

KBS not only focuses upon the intellectual development of our future generation, but also took care of their emotional and behavioral development in their early ages of development by inculcating sound moral values, social awareness. We have done it through different co-curricular activities. We celebrated Earth Day, World environment day, Yoga day to create awareness among students towards their mother Earth and physical fitness. We conducted various awareness programs like Cleanliness Campaign, Say No to Plastic, Save Water Save Life, Pollution, Global warming etc.

No Bag Saturdays

Keeping in view the all round development of the students extracurricular activities were also given importance. For this No Bag Saturdays were introduced in which students did not carry heavy bags. They were engaged in different extracurricular activities like Dance, Music, Art and craft, Taekwondo, Yoga, Self management skills, life skills, Quiz etc.

To promote the competitive spirit and to bring out the talent of the students they were encouraged to participate in various activities like calligraphy, poster making, painting, dance, fancy dress, Diya decoration, Rangoli making, Fire Less cooking, Salad decoration etc during the course of the year.

Examinations

Periodical assessments and evaluations were conducted for the students in the month of May and December and their progress was informed to the parents frequently.

Regular Class tests were conducted from the syllabus they had completed. Summative assessments were conducted in September and March. Subject Enrichment Activities were assigned to the students and evaluation was done for the internal assessment. KBS Star Competition was conducted to motivate the students to perform best in all the fields. All students got good result.

Parent's teacher association

We have a strong support of our parents which we cherish every year. The PTA general body meeting is occasion to acknowledge their service to the school. We had monthly meetings with the parents to discuss about teaching learning process and to get suggestions from them to improve the processing of the school.

Parent's teacher meeting

Parent teacher meeting were hold time to time to discuss the performance of students with their parents. Parents were given feedback on their ward's performance. Teachers discussed both the strength and areas of improvement and their suggestions were noted. The joint effort, mutual understanding and cooperation of teacher and parent played a very important role for proper nourishment and progress of students.

Academic Excellence

“The whole purpose of education is to turn mirror into windows.”

The system of education in KBS School was a blend of the theory and practice in right proportion to arrive at comprehensive curriculum. Regular staff meetings were conducted to evaluate the quality of performance and plan for future with more innovative methods of teaching and learning programs. We are proud to acknowledge that we had good result, achievement in academics, Co. curricular and extracurricular activities throughout the session where all our staff is committed, dedicated. Our thanks to the Managing Committee of our school for their guidance and encouragement.

School Management Committee

Regular meetings are conducted by the school management committee. They put their suggestions for the growth of the school and after discussion they accept them and further planning is done accordingly. In this session, the committee decided to get the school recognized from Board of school education Haryana upto Sen Sec level. Further planning was done to get the affiliation of school from CBSE upto secondary level. For this purpose construction on first floor was planned as per the CBSE norms. In academics, committee suggested to include Experiential learning for the students. Various awareness programmes for the students and teachers and regular health checkups to be included in the extra curricular activities. Moreover,

some suggestions were given on how to improve the strength of the students in the coming session. Stress was given on the Teacher Development programmes including workshops and seminars.

Let me conclude this report by the words of our former president Dr. Abdul Kalam.

“Learning gives you creativity, ‘creativity leads to thinking’ Thinking provides knowledge, Knowledge makes you great”.
